Session 5 – Relationship Management: Integrating a full supply chain (Wabash 1)

No single company can own the space from manufacturing to the patient, and so integrating the activities of multiple corporate entities is a fundamental challenge in healthcare supply chain management. The panel of experts will discuss practical tools and approaches that result in seamless supply chain management including: strategic sourcing and contracting, performance metrics, S&OP, performance improvement and relationship management.

Moderator: Jon Giacomon, VP Supply Chain, Cardinal Health

- Mark Hodson, President, Stallion Sourcing Services

Session 6 – Product Identity Standardization (Room 109)

Moderator: Dennis Harrison, President GS1 US Healthcare
