10:30 – 12:00 pm **Joint Session**

Creating Value for Hospitals with Supply Chains

- Presenter: Chet Damania, Global Manager, Perfect Order & Customer Experience, Ethicon Endo-Surgery, Inc., Johnson & Johnson

Success Factors for Supply Chain Collaborations

- Presenter: Vicki Smith-Daniels, PhD, Visiting Professor, Indiana University, Kelley School of Business – Indianapolis

12:00 – 1:30 pm **Luncheon – Discussion Tables**

Introduction: Marie Christine Pence, Director, Economic Development, Duke Energy

1:30 – 2:00 pm Break to exhibit hall

2:00 – 3:15 pm **Concurrent Sessions**

Session 3 – Supply Chain Management for Medical Devices

Optimizing supply chains for medical devices and diagnostics present some special challenges. A panel of supply chain professionals who are bringing new value to this segment of healthcare supply chains will discuss challenges and solutions.

Moderator: Denise Odenkirk, Vice President, Customer Solutions, OM Logistics

- Dan McDow, COO, Iowa Health System Consolidated Services
- Tom Doherty, Director, Global Supply Chain, Welch Allyn
- Kevin R. Stout, Executive Director & Founder, Medical Device Industry Supply Chain Council

Session 4 – Clinical and Operations Planning: Supply Chain Management During Clinical Trials - The concepts and techniques of supply chain management are being applied to the development phases of pharmaceutical, biotech and device supply chains with increasing regularity. The benefits in speed and cost, as described by this panel of practitioners, highlight the value of applying solid supply chain management early in product lifecycles.

Moderator: Michael Eckstut, Principal, Strategy Practice Leader and West Region Head, Archstone Consulting - A Hackett Group Company

- Alisa Wright, President, BioConvergence, LLC
- Ken Thomas, President, Taith Group, LLC
- Craig Ulmer, Senior Director, Clinical Trial Materials, Eli Lilly and Company
- Mauri Okamoto-Kearney, Senior Vice President, Product Development and New Product Planning, KAI Pharmaceuticals

3:15 – 3:30 pm **Break**

3:30 – 4:45 pm **Concurrent Sessions**

Session 5 – Relationship Management: Integrating a full supply chain - No single company can own the space from manufacturing to the patient, and so integrating the activities of multiple corporate entities is a fundamental challenge in healthcare supply chain management. The panel of experts will discuss practical tools and approaches that result in seamless supply chain management including: strategic sourcing and contracting, performance metrics, S&OP, performance improvement and relationship management.

Moderator: Jon Giacomini, Executive V.P., Operations, Pharmaceutical Segment, Cardinal Health

- Ken Martlage, Founding Principal, Phoenix Images, LLC
- Lora Cecere, Partner, Altimeter Group
- Brad Newman, Senior Director of Marketing, Baxter BioPharma Solutions
- Mark Seitz, Global Supply Chain/Logistics Advisor, Eli Lilly and Company

Session 6 – Product Identity Standardization - The capability to fully optimize the flow of products through to the patient depends to a large degree on the systems with which products are identified and tracked. This panel will discuss efforts and success stories of creating standards for identity that can be utilized by all players in Healthcare supply chains.

Moderator: Dennis Harrison, President, GS1 US Healthcare

- Jean Sargent, CMRP, FAHRMM, Director Supply Chain, USC Health Sciences
- Donna Wall, Clinical Pharmacist, Clarian Health Partners
- Dennis Black, Director, e-Business, Becton Dickinson
- Dennis Byer, Senior Director, Industry Standards, Novation

Agenda

May 21, 2010

Temperature-Sensitive Supply Chain Risk Management

- 7:30 – 8:15 am** Registration
- 8:15 – 8:30 am** Welcome – **Rafik H. Bishara, Ph.D.**, Chair, Pharmaceutical Cold Chain Interest Group (PCCIG), Parenteral Drug Association (PDA)
- 8:30 – 10:15 am** **Session I: TSA Security and the Cold Chain Supply**
- 8:30 – 9:00 am** **100% Cargo Screening on Passenger Aircraft**
- Gary E. Lupinacci**, Assistant Branch Chief, Certified Cargo Screening Program, Aviation Security, Transportation Security Administration
- 9:00 – 9:30 am** **Certified Cargo Screening Program and Pharmaceutical Manufacturing**
- Brad Elrod**, Director; Global Conveyance Security, Pfizer Global Operations Compliance
- 9:30 – 10:00 am** **TSA Screening Compliance: Recommended Practices and Considerations for Manufacturers**
- Chris Fore**, Manager Industry Compliance and Regulatory Affairs, Envirotainer
- 10:00 – 10:15 am** **Panel Discussion: Marc Rossi, Brad Elrod, and Chris Fore, Moderator: Rafik H. Bishara, Ph.D.**
- 10:15 – 10:45 am** **Break to Exhibit Area**
- 10:45 – 12:30 am** **Session II: Risk Mitigation For Moving From Cold Chain to Good Distribution Practices (GDP)**
- 10:45 – 11:15 am** **Risk Mitigation for GDP- case study**
- Maryann Gribbin**, Director Quality Assurance, JOM Pharmaceutical Services, Inc. Global Pharmaceutical Supply Group, NA
- 11:15 – 11:45 am** **Cold Chain and Risk Mitigation of Humidity**
- Robert Seevers, Ph.D.**, Principal Regulatory Scientist, Regulatory Affairs, CMC, Eli Lilly and Company
- 11:45 – 12:15 pm** **Planning for Future Demand for Temperature-Controlled Products and Intermediates**
- Nick Basta**, Editor-in-Chief, *Pharmaceutical Commerce*

- 12:15 – 12:30 pm** **Panel Discussion: Maryann Gribbin, Robert Seevers, and Nick Basta, Moderator: Rafik H. Bishara, Ph.D.**
- 12:30 – 1:30 pm** **Buffet Lunch**
- 1:30 – 1:45 pm** **Break to Exhibit Area**
- 1:45 – 3:00 pm** **Session III: Compliance with IATA's Chapter 17**
- 1:45 – 2:15 pm** **Complying with IATA Chapter 17 Revised Regulations and Biopharma Requirements for Temperature Sensitive Products**
Kevin O'Donnell, Director and Chief Technical Advisor, Tegrant Corp, ThermoSafe Brands
- 2:15 – 2:45 pm** **Strengthening the Airport's Link in the Supply Chain**
Christofer Matney, Director Air Service Development, Indianapolis Airport Authority
- 2:45 – 3:00 pm** **Closing remarks – Rafik H. Bishara, Ph. D.**
