

POWER OF THE FORUM!

SUPPORT IHIF, BECOME A MEMBER TODAY!

Join the members of
**the Indiana Health
Industry Forum**
and be part of the
collective voice of the
state's health and life
science industry. Together,
we will continue to build
statewide connectivity,
advocate for member
interests, develop
workforce skills and build
Indiana's economy by
providing strategic vision.

The CORE 4

Here's what the IHIF provides members:

1. NETWORKS.

IHIF builds industry connectivity for you throughout Indiana and beyond. That means that YOU win when it comes to discovering partnerships that will build your business while making Indiana stronger.

2. A PLAN FOR THE FUTURE.

The Forum provides industry driven guidance while maintaining a statewide strategy that feeds economic development.

3. WORKFORCE DEVELOPMENT.

A strong healthcare industry is fueled by a skilled workforce. That's why IHIF, with its industry and university members, is there to identify and fill skill and training gaps.

4. ADVOCACY FOR A BETTER INDUSTRY.

The Forum is all about moving health and life science forward in Indiana. IHIF is here to provide guidance and leadership by identifying policies and legislation that impacts our industry while also creating position and policy statements that favorably affect Indiana business sectors.

Plus: IHIF is the Indiana affiliate of the Biotechnology Industry Association (BIO) and offers valuable discount programs to members.

There is POWER in membership! Join today and help build a stronger health and life science industry in Indiana!
