

IHIF 2010 Annual Meeting Sponsor Information

Date: March 11, 2010

Venue: University Place Conference Center

Expected attendance: Target 150 people. Open to IHIF members and non-members.

About the IHIF Annual Meeting

This will be the main networking event for IHIF members in 2010. There will be a fall members-only meeting that will be smaller in scope.

This year's enhanced program is focused on topics of member interest. The program also includes BIO Business Solutions partner exhibitions and a pre-conference event on funding opportunities that will highlight local and national grant and investment funding opportunities. We hope to partner with the Indiana Bio-Medical Entrepreneur's Network (IBEN) and BioCrossroads on the pre-conference program.
