

Statewide Strategic Plan for Indiana's Health Science Sector

The model we are using for the creation of a statewide strategic plan is collaborative and volunteer-driven. However, there are still a number of associated costs that require resources above and beyond what the Indiana Health Industry Forum is able to contribute from its operating budget. Sponsor support is necessary in a number of areas and we welcome both financial and in-kind contributions to the development of the project

Our fundraising goal for this project is \$45,000. Please help us reach that goal and keep this project on-track for a timely delivery in the spring of 2012! Sponsorship is available at a number of levels:

Level 1: \$5,000+

- Logo on report and related print materials
- Special Recognition on Title Page of Report
- Logo or name recognition on benchmark reports (every 6 months for 5 years)
- Website link from logo on report portal
- Sponsor logo recognition in 2011 IHIF Annual Report

Level 2: \$2,500

- Logo on report and related print materials
- Website link from report portal
- Sponsor logo recognition in 2011 IHIF Annual Report

Level 3: \$500

- Organization name on report and related print materials and IHIF 2011 Annual Report

In-Kind Sponsors

- In-kind contributions assessed at fair market value with related sponsor benefits

You may sign up on-line through the IHIF website (<http://www.ihif.org/conference/register/44>) or contact us directly at info@ihif.org.
