BioConvergence is a women-owned, small business based in Bloomington, Indiana. For more information, visit us at www.bioc.us.

BioOhio

1275 Kinnear Rd
Columbus, OH 43212
www.bioohio.com

BioOhio is Ohio's bioscience membership and business development organization. We are both an extension of the Ohio Department of Development and an industry trade association focused on growing Ohio already 1,141 strong bioscience industry. We map out the bioscience supply chain across Ohio and will have an interactive, web based version by Summer 2009. We run and fund biomedical incubators across Ohio; actively pursue bioscience companies to establish or expand in Ohio (because they can make more money here) and we assist in the recruitment of bioscience companies by Ohio's local, regional, and state-wide organizations. BioOhio is the Ohio affiliate for AdvaMed, BIO and PhARMA.

Bradford Systems

3815 River Crossing Parkway, Suite 100

Indiana Health Industry Forum
351 W. 10th Street, Suite 216
Indianapolis, IN 46202
www.ihif.org

The Indiana Health Industry Forum (IHIF) is a not-for-profit, private sector organization. Its members represent a private/public alliance of manufacturers, suppliers, educational institutions, health care providers, service providers and government. Incorporated in December of 1994, IHIF works to define the factors that lead to economic development success in Indiana's already significant health industry and build programs supporting future growth for the industry in the state. IHIF acts as a catalyst, convener, innovator, coordinator and supporter of initiatives that advance the state's health-related enterprises.

IU Kelley School of Business

Indianapolis, IN

www.kelley.iupui.edu/about/index.cfm

Today's Kelley students are tomorrow's leaders. For nearly 90 years-first in Bloomington and later in Indianapolis, online, and for top companies-the Kelley School of Business has prepared students to lead organizations, start companies, develop new products and services, and shape business knowledge and policy. Kelley's innovative education, rich in real-world learning opportunities, opens students to endless career possibilities. We look to our accomplished alumni to measure our success, and we continue to evolve our top-ranked programs to stay on the cutting edge.
